

World Dances and Action Games

Friday 23rd October 9.30 to 3pm

English Folk Dance and Song Society
Cecil Sharp House, 2 Regent's Park Road, LONDON NW1 7AY

We do hope that you will join us for this exciting day

A Day for Practitioners working with children 4 – 11 years **- school staff, freelance dance artists and music educators -**

World Dances and Action Games are great fun and easy to learn!

- They can inspire new themes for your workshops with young children
- They promote children's physical, communication, social and personal development skills
- They integrate dance and music using traditional folk dances and games from around the world

Learn some simple dances* and games from around the world that you can use immediately in school or any other setting where you teach children - both indoors and outdoors.

Take away some easy to use resources that help you to lead the dances and games.

* The day will include sessions on traditional Romanian, Indian and English folk dance and will be rounded off in style by a short ceilidh with live music!

Fee for the Day: £35*

* Camden school staff free of charge

All participants will receive a substantial resource pack (CD, DVD & booklet), refreshments and light lunch.
